

South Puget Intertribal Planning Agency
NATIVE WOMEN'S WELLNESS PROGRAM (NWWP)
 Effective January 12, 2024 – January 30, 2025

The Federal Poverty Level (FPL) Tables are used to determine income eligibility for the Breast and Cervical cancer screening and diagnostic services through the NWWP:

% Gross YEARLY Income	
Family Size	250% FPL
1	\$37,650
2	\$51,100
3	\$64,550
4	\$78,000
5	\$91,450
6	\$104,900
7	\$118,350
8	\$131,800
8+ Add per each additional member	\$13,450

% Gross MONTHLY Income	
Family Size	250% FPL
1	\$3,138
2	\$4,258
3	\$5,379
4	\$6,500
5	\$7,621
6	\$8,742
7	\$9,863
8	\$10,983
8+ Add per each additional member	\$1,233

Who is Eligible?
(Must meet all 3 requirements)

- ✓ Women between 21 and 64 years.
- ✓ AND Uninsured or underinsured (screening and diagnostic procedures) women enrolled in your Tribal Clinic.
- ✓ AND Women with low-incomes (at or below 250% Federal Poverty Level).

Underinsured:

You might be underinsured if your health plan does not cover cancer diagnostic procedures, or you can't afford the out-of-pocket costs to get screened or get diagnostic services.
