

ATTENTION

JOIN SPIPA'S MEN'S WELLNESS WORKGROUP!

Join the Men's Wellness Workgroup and spend time with other Native men in a supportive, culturally rooted space centered on healing, learning, and empowerment. Through shared stories and conversations about cancer prevention and treatment, we work together to guide health programs that reflect our traditions, values, and lived experiences. SPIPA Tribal members who volunteer their time to attend are eligible for mileage reimbursement and a \$50 stipend per meeting.

Nisqually Tribal Elder John Simmons, Men's Wellness Workgroup Lead, in partnership with SPIPA
